

CIS Department Meeting
January 16, 2015

In attendance: Jeff James, Pam Peters, Teresa Roberson and Stephen Chandler.

We discussed and developed the CIS schedule for the summer semester.

We discussed attending the AIDT/SkillsUSA Career Expo to be held in Birmingham that Rose sent info about.

We also discussed the NW-SCC experience and the items that we will need for this event. Stephen Chandler will prepare a purchase order for Crimpers, Strippers, RJ45 Ends, Cable Testers, etc. needed for networking, along with a Camera Card, Photo Paper, and a Wireless Printer. These are items that will be needed for the NW-SCC experience.

Stephen will also contact Alan Mitchell about the possibility of using Josie or Brantley, and Zachery for the NW-SCC experience. He will also ask them about setting up a network drive for the NW-SCC experience and networking the wireless printer mentioned about.
